

1 A He was complaining of pains in his back. He
2 said his back was bothering him. And he just wasn't
3 generally feeling too well.

4 Q Did you have occasion to examine the
5 Defendant's back?

6 A Yes, I did.

7 Q Did you examine it without a shirt on so that
8 you could see his back, his skin, so to speak?

9 A Yes, I did.

10 Q Did you notice anything unusual about
11 his back?

12 A Yes. The Defendant had bruises on both sides
13 of his lower back.

14 Q Would that be in the kidney area,
15 approximately?

16 A I imagine so.

17 Q Did he complain of any other injuries other
18 than those?

19 A Yes, he did.

20 Q What were they, please?

21 A He complained -- he was urinating blood
22 inside his urine, and that basically he just wasn't feeling
23 good.

24 MR. WEINBERG: Thank you.
