CR-13-0899 (Death Penalty)

William Ernest Kuenzel v. State of Alabama (Appeal from Talladega Circuit Court:
CC88-211.60)

ORDER

You are hereby notified that oral argument has been scheduled in the above-referenced cause for April 7, 2015 at 9:00 a.m..

You will be allowed a total of 30 minutes, including the time required for you to answer any questions the Court may ask. (See Rule 34(b), Ala.R.App.P.). Because of the limited time for oral argument, the Court hereby directs you to identify the specific issues in your brief (including sub-issues) that you intend to orally argue. Each issue and/or sub-issue identified for oral argument must reference the specific page number(s) in your brief(s) where that argument appears. When identifying issues for oral argument, the Court requests that you include only those issues that you believe were not adequately presented in your brief and those which you believe that oral argument will significantly aid the Court in making its decision.

The list of issues herein ordered should be received by this Court by no later than March 10, 2015 (28 days before date of OA), and a copy thereof should be served on the appellee at the time it is filed with this Court.

Done this the 12th day of January, 2015.

A handwritten signature in cursive script that reads "Mary B. Windom".
